**Tuition Policies:**

Tuition is based upon the selected enrollment option. A current tuition rate schedule is attached. Tuition is separate for our two sessions: a nine-month academic school-year session (mid August through May), and a separate summer session (June through mid August). You may pay the tuition in full or in monthly installments due on the first day of each month. There is no tuition reduction for scheduled closures, unscheduled shutdowns due to hazardous or weather related conditions, or holidays since the tuition is fixed for the full session. The school cannot give refunds or credit for absences since the school's disbursements are unaffected by such. However, we reserve the right to make exceptions under extenuating circumstances, such as unexpected medical conditions of a serious and prolonged nature.

Tuition payment is due on or before the first day of each month. Please make checks payable to BMS. Please keep the invoice as your tax record and record the invoice number on your check. And either mail or deliver to the school by the first of the month. There will be a \$50 charge for any check returned by the bank unpaid.

BMS provides a 10% tuition discount for siblings of existing students living at the same residence.

**Tuition Payments Due Date**

Payments are due on or before the **1st day** of every month regardless of which day of the week the **first** falls on. Late payments trigger a \$50 late fee.

\* **Registration/Supply Fees are NOT refundable.**
